

TOWN OF ARLINGTON
Board Meeting Minutes
February 9, 2022, at 7pm

Chair Moll called the meeting to order at 7:01pm with all board members present. Also attending were Joe Proshot, Rob Roth, Ed Kallas, & Paul Johnson. Clerk Struck read the minutes of the January 12, 2022, Board meeting. MSC Manke/Moll approved the minutes as read.

Discussion of the UTV/ATV ordinance was started, by reviewing the initial ordinance draft. The board wanted a clause that would have the ordinance expire after 2 years. This would allow the ordinance to be reviewed bi-annually. Signage costs are also a concern of the board since the cost was not included in the 2022 budget. Roughly the town will need 14-18 signs. MSC Manke/Klahn move to table the approval of the UTV/ATV ordinance until the county ordinance is passed.

Discussion of the solar ordinance was started, by reviewing the initial ordinance draft. The ordinance would require large projects to have Planning Commission and Board approval, and smaller projects would require a permit. IVEN Energy will be attending the March board meeting, to introduce their High Noon Solar project for our area. MSC Klahn/Manke motion to send the Solar ordinance to the planning commission for review.

As of this time, the board, has not received any complaints for either Tri-County Paving, Inc. or Manke Seed & Livestock Pit

Treasurers update on the banking accounts, and taxes collected.
