

## DOG LICENSE APPLICATION INFO

**Please do not include the dog license in any property tax total. Please send a separate check.** It is a state law that all (indoor & outdoor) dogs are taxable when they become 5 months of age. Dog Licenses issued at tax time are for the calendar year 2021. If you get a new dog, or if your present dog becomes five months of age after tax time, dog licenses are to be purchased from the town treasurer.

1. You must include **check and a self addressed stamped envelope** in order for the tags to be returned to you.
2. You **must also provide a COPY of the veterinarian's documentation** of the date of rabies vaccination and expiration date, also called a "Rabies Certificate". A license will not be issued without proof of a current Rabie's Certificate.
3. Please complete the form below for the license and send with payment, return envelope, and rabies certificate.
